Sweetheart Petals MATCHMAKING

Home Services About Contact

Connect with your *Soul-mate*.

A specialized matchmaking agency for relationship minded singles 40+

Welcome to Sweetheart Petals Matchmaking!

A Sweetheart is defined as a particularly lovable or pleasing person. The Petal is a beautiful budding part of a flower that stands out and blossoms - like two individuals in a nurturing, growing, and committed relationship. Are you tired of online or mobile dating? Ready to meet your soul mate? Are you too busy to research profiles to find The One? If you answered yes to any of those questions, it is time for you to meet your Sweetheart Petal.

My name is Timara, and I am the founder and matchmaker. I help singles form loving, committed female-male relationships in the Raleigh Triangle area. I am a trusted people connector. Having studied love, relationships, and dating for over two decades, I understand the core of human beings and what they truly value in a committed relationship. If you are a key relationship-minded individual seeking love in the local area, I invite you to get in touch with me to schedule a consultation to learn more about you and discuss how my matchmaking service can be of value to you.

Why Sweetheart Petals?

- 1** We are a full-service love agency offering matchmaking services coupled with date coaching and relationship education.
- 2** We exclusively pre-screen, vet, and introduce like-minded singles in the mature-aged group.
- 3** We are a small boutique-style agency comprised of caring, compassionate matchmakers and date coaches who would go to the ends of the earth to find your perfect match.
- 4** We serve our clients based on our core values of love, connection, happiness, and respect.
- 5** We are a selective traditional matchmaking service without online dating or chat rooms. Every match is hand-picked. Your privacy and dignity are essential, and we honor that.
- 6** We exclusively serve singles in the Raleigh Triangle and nearby cities/towns.
- 7** We value quality over quantity. We appreciate your patience over a hasty first search. We care about all the details when it comes to you. We are thoughtful and thorough in our approach to finding your ideal match.
- 8** We offer flexible membership options based on your needs.
